Dear Esther,

You're a swell kid, Esther (sometimes!)
& I've enjoyed knowing you!

Dedication

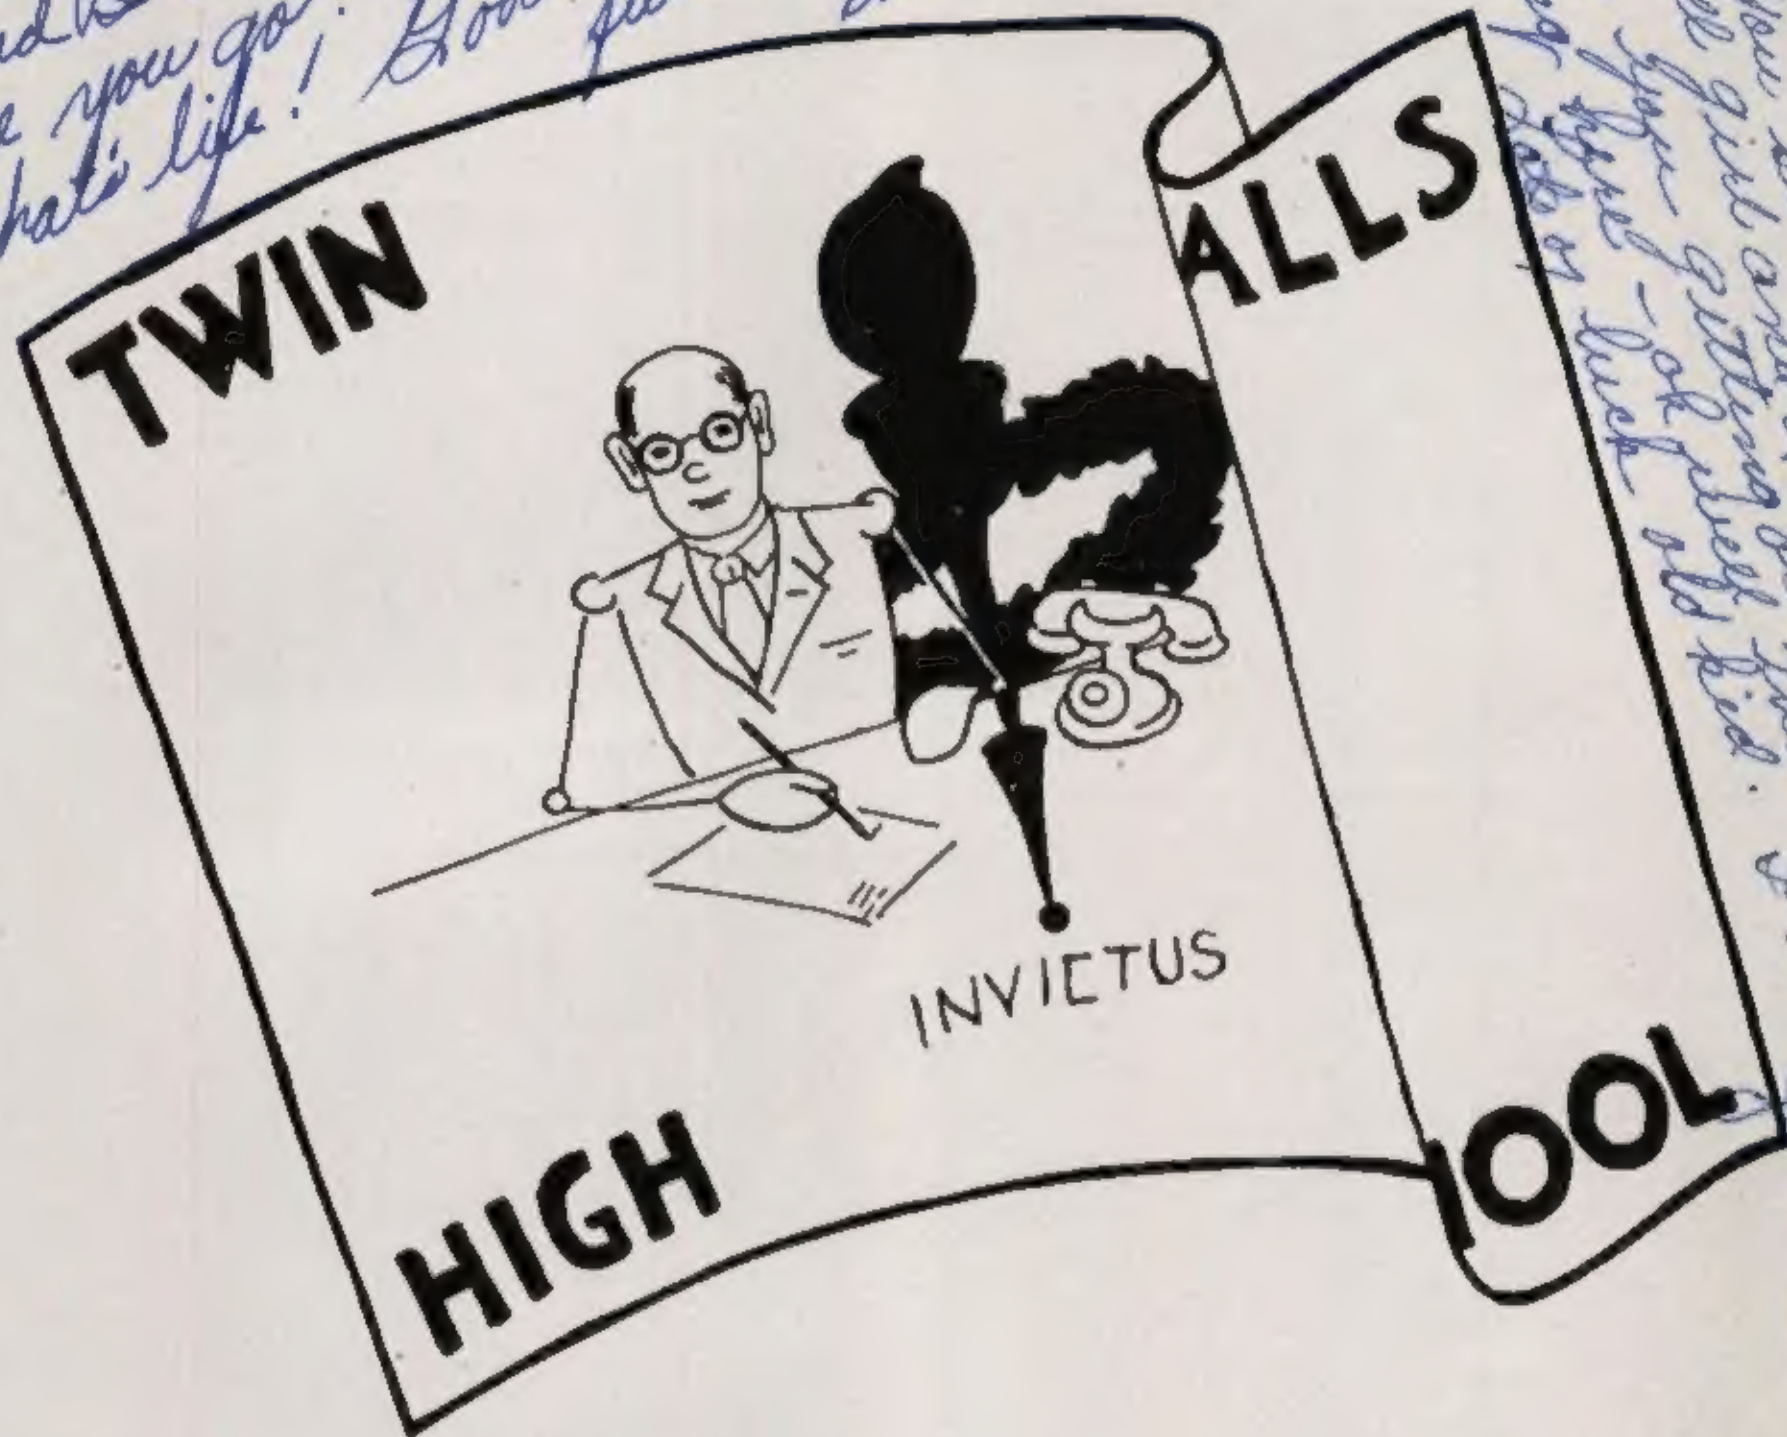

Behind the scenes, hidden from recognition by their more illustrious classmates, are the students whose unobtrusive performance of the less spectacular, sometimes routine, but so necessary activities make our varied high school life complete. They are the ones who just don't make the "first string," who somehow miss the glamor of receiving a coveted "Oscar," who never hear the acclaim granted executive ability. Without them our cheering lines would be silent, our halls bereft of familiar yet commonplace sounds, our classrooms strangely empty. To them, the great mass of our student body, so essential and so often overlooked, we dedicate this 1948 Coyote.

The first of luck
to you in this coming
year! I am
Thanking you

Esther, I guess it won't be
seeing you next year, but
we'll find you on the
bus this year. I haven't
seen you since wishing you
good luck in the many
years to come. Love

Please others.
 seems it really
 see you funny to
 and see you graduate,
 see you go! But I hate to
 that's life! Good luck in your
 future life!

Administration

A. W. MORGAN
Superintendent of Schools

At the present time the peoples of the world are stricken with the fear of insecurity. This feeling is the cause of many of our current ills.

Your security depends, to a great extent, on the educational foundation you obtain now. Pursue your education wisely and diligently.

A. W. MORGAN, *Superintendent of Schools*

EDNA M. MILLER
Secretary to the Superintendent

BOARD OF TRUSTEES

A. W. Morgan, Edgar H. Olmstead, Glynn E. Smith, Ernest E. Jellison, Rev. Donald B. Blackstone, Frank L. Stephan, Edna M. Miller.

JOHN D. FLATT
High School Principal

The higher the tree the deeper the roots. A tall tree with surface roots is easily blown down. So it is in education. If your ideals, your segments of knowledge and your elements of wisdom run deep, you will exhibit stability against all the vicissitudes of life. While in high school, dig deep. Use your minutes and days to construct a formidable personality. Then you will pierce all clouds of misunderstanding, and see the world as a hopeful place in which to live.

JOHN D. FLATT.

VELMA BRANDT
Secretary to the Principal

ARTHUR M. KLEINKOPF
Curriculum Director

KENNETH E. KAIL
Vice Principal—Dean of Boys

Congratulations to the students of T. F. H. S. upon the completion of another successful year. I sincerely hope that every student may look back on 1947-48 with a feeling of pride in a task well done and just a touch of regret that so many pleasant associations have now become memories.

KENNETH E. KAIL

ROSE M. NORTH
Coordinator of English—Dean of Girls

It is particularly important in times of shifting values that education should help the student to discover worthy goals of effort. Twin Falls High School endeavors to offer opportunity for experiences which will help every student give purposeful direction to his life. The educated person realizes that knowledge is not enough. Such qualities as initiative, responsibility, self-discipline, industry, and service to the common good all go into constructive citizenship. In our high school we have a high percentage of worthy citizens. They are preparing to be the men and women of tomorrow which the world needs.

Classes

Senior Class

"And now is the hour when we must say good-bye."

Yes, here we are at the crossroads. Our happy days in high school are over, and the great unknown lies before us.

Our achievements this past year have been worthwhile. Both stunt assemblies were won by the seniors, and we also produced a very entertaining assembly. Members of our class have been prominent in the activities of the Girls' League and the Boys' Club. As presidents of those organizations, Evelyn Dean and Bob Long have been capable executives. We are justly proud of the records made by Jerry Kleinkopf, Student Body President, Bill Watts, Student Court Chief Justice, and Max Kirkland, Senior Class President.

Through the years we shall recall with continuing happiness our high school days.

Junior Class

The Class of '49, led by its capable officers and guided by the wise counseling of its sponsors, has made notable progress. Each year more members of the class are participating cooperatively in activities of the school, and their increasing endeavors have brought them marked recognition.

As the memories of this year are recalled, there are some we shall never forget—the two stunt assemblies, the junior assembly, "The High School Mystery," and our tribute to the seniors, the Junior Prom.

With eager anticipation we await our senior year.

Sophomore Class

Can it be true? Is it possible that our sophomore year is over and we are about to become juniors? It seems as if it were only yesterday that we were wandering aimlessly about the halls, looking for the study hall, the quickest way to the dome, or the deans' offices.

To the seniors, juniors and faculty members who have overlooked our many faults and mistakes, we thank you from the bottom of our hearts. As upper-classmen, we hope that we may have the admiration and the respect of the lower-classmen, as you who have been our "guiding stars" have ours. May we live up to what is expected of us and be worthy members of the Twin Falls High School student body.

Our ultimate aim is to have the class of '50 placed on the records of history as one of the most outstanding classes ever to graduate from the Twin Falls High School. To these dreams and ambitions, we dedicate ourselves and promise to strive toward the standards which have been set by the classes before us.

The Coyote Staff has done its best to present within these pages an accurate and attractive summary of student activities for the past school year. Each of us feels that it has been a privilege and a great pleasure to compile the 1948 *Coyote*. We have enjoyed watching our ideas materialize and grow into this finished product, which we sincerely hope meets with your approval.

—The Staff

THE BRUIN

The Bruin has the distinction of being one of the few weekly high school publications in Idaho. Within the past two years it has developed from a mimeographed paper into an informative six-page sheet.

The staff is composed of twenty advanced journalism students, over 90 per cent of whom belong to Quill and Scroll. A News Bureau has added to the coverage of events in the school. The Exchange Department boasts a mailing list of over 60 schools in the United States, Hawaii, and Australia.

This year two radio programs were inaugurated to bring school events to a listening audience. The broadcast over station KVMV has featured talented students and school news. The program on station KTFI included school news and interviews with club and departmental officers.

Basketball programs were published this past season under the direction of the business staff. In April the Talent Show was sponsored by the journalism department in order to raise money to meet publishing obligations.

With the organization of an active beginning journalism class, the staff next year will be rich in basic fundamentals and experience. Twin Falls High School can be proud of its school paper, for it is one of the best in the state and will continue to take honors in the field of journalism.

Quill and Scroll

The Twin Falls chapter, which was established in 1926, is called the Fourth Estate.

At the beginning of the year, only four members belonged to the organization.

Collecting and studying data on the late journalist, Ernie Pyle, was the project selected for this year. Various phases of his life were studied and formed the basis for articles, some of which appeared in the Bruin.

During "Quill and Scroll Week" a comedy initiation was carried out. Equipped with a quill and scroll, students collected odd autographs. At a candlelight ceremony gold membership pins were presented to the new members of this international journalistic society.

Future Homemakers of America

F. H. A., reorganized this year under the direction of Mrs. Richard Smith, has had a profitable year. Early in February the girls modeled their garments for the annual Style Show presented to the Girls' League. The club was represented at the State Wool Growers' Convention in Boise by two of our members. Eight delegates attended the District F. H. A. Convention in Pocatello where they gave an excellent demonstration of parliamentary procedure. Delegates were also sent to the State F. H. A. conclave in Boise.

On the service record of this organization are the preparation and the serving of food for the banquet given in honor of the football squad and numerous teas.

The treasury was increased by the sale of caramel apples at the football games and "hot dogs" at the basketball games, including the District Tournament.

It is the annual custom to conclude the work of each year with a picnic.

Boys' Club

Each year Boys' Club activities begin with an annual assembly to promote the Big and Little Brother project to help new students get acquainted with other students and our school.

The members assisted with such worthwhile projects as the Junior Red Cross membership drive and the purchase of a hospital bed for the county Red Cross chapter. Clothing and food were sent to the children of an elementary school in Boskoop, Holland; and a box of school supplies, soap, towels, and first aid articles was prepared and sent abroad through the Red Cross. Boys' Club has also assisted at all athletic contests including the District Basketball Tournament.

"Happy Holiday" was the theme of the annual Christmas formal dance. Interesting programs were planned and arranged for Boys' Club and for the entire student body.

Girls' League

"Flying High with Girls' League" was the 1947-48 theme for one of Twin Falls High School's most important and active organizations. Under the capable leadership of Evelyn Dean, the League has met the major objectives for which it was organized—democratic comradeship and opportunities for the 400 girls in high school.

New projects were inaugurated this year, such as selling candy at noon in the halls and at the football and basketball games. The treasurer, Betty Rees, reports that the treasury has increased from \$30 to over \$500.

In the field of service, Girls' League helped Filer High School to initiate a similar club this past year. An exchange meeting with the Shoshone Girls' League proved interesting and informative. At Christmas time the group decorated miniature Christmas trees to place on patients' trays at the County Hospital. Gifts for each child in the Orphans' Home at Boise were provided. In conjunction with the Boys' Club, the League bought a hospital bed and presented it to the Red Cross rooms. During the local Red Cross campaign menu covers were distributed to all the eating places in town.

Starting with the Big-Little Sister Rally in the park, the calendar brimmed over with good times. At midnight the senior girls haunted the halls of the school during the Senior Sleeper, "Sleepy-time Gal." Mothers of the senior girls were honored at a tea in October. In November the gym was transformed by "Jungle Magic" into a tropical paradise with cannibals, explorers, and all sorts of wild animals. Jackie Beymer's and Barbara Lehman's costumes were judged the funniest. Colleen Carter and Billie Bockwitz took honors for the most original costumes, and Harlene Gambrell's costume was selected as the most beautiful. Faculty members were honored at a tea given by the Senior Unit in February. In March the Mother-Daughter Banquet was held. Sophomores were in charge of the program booklets; juniors, decorations; seniors, program.

Biggest event of the year was the fourth annual Sweetheart Ball. Carrying out the Valentine theme, the senior girls converted the gym into a dreamland of red and white decorations. An impressive coronation was carried out by the Junior Unit, who presented Maggie Gandhaga as the "Girl of Our Dreams" and her Court of Honor. June Carr, senior princess, Donna Rae Bagley and Helen McEwen, junior princesses, Shirley Smith, sophomore princess. Three past queens were in attendance to make the ceremony complete. Sophomore girls wrote invitations to the patrons and patronesses of the dance.

This has truly been the best year that Girls' League has had. Their motto, "In Unity There Is Strength," really works.

Rifle Club

The Twin Falls High School Junior Rifle Club is a recent addition to the organizations and activities of the high school. Membership in the Club is open to any boy who is interested in rifle shooting and is willing to take the Basic Course in Riflemanship.

Our Rifle Club is affiliated with the National Rifle Association and receives rifles and supplies through that organization.

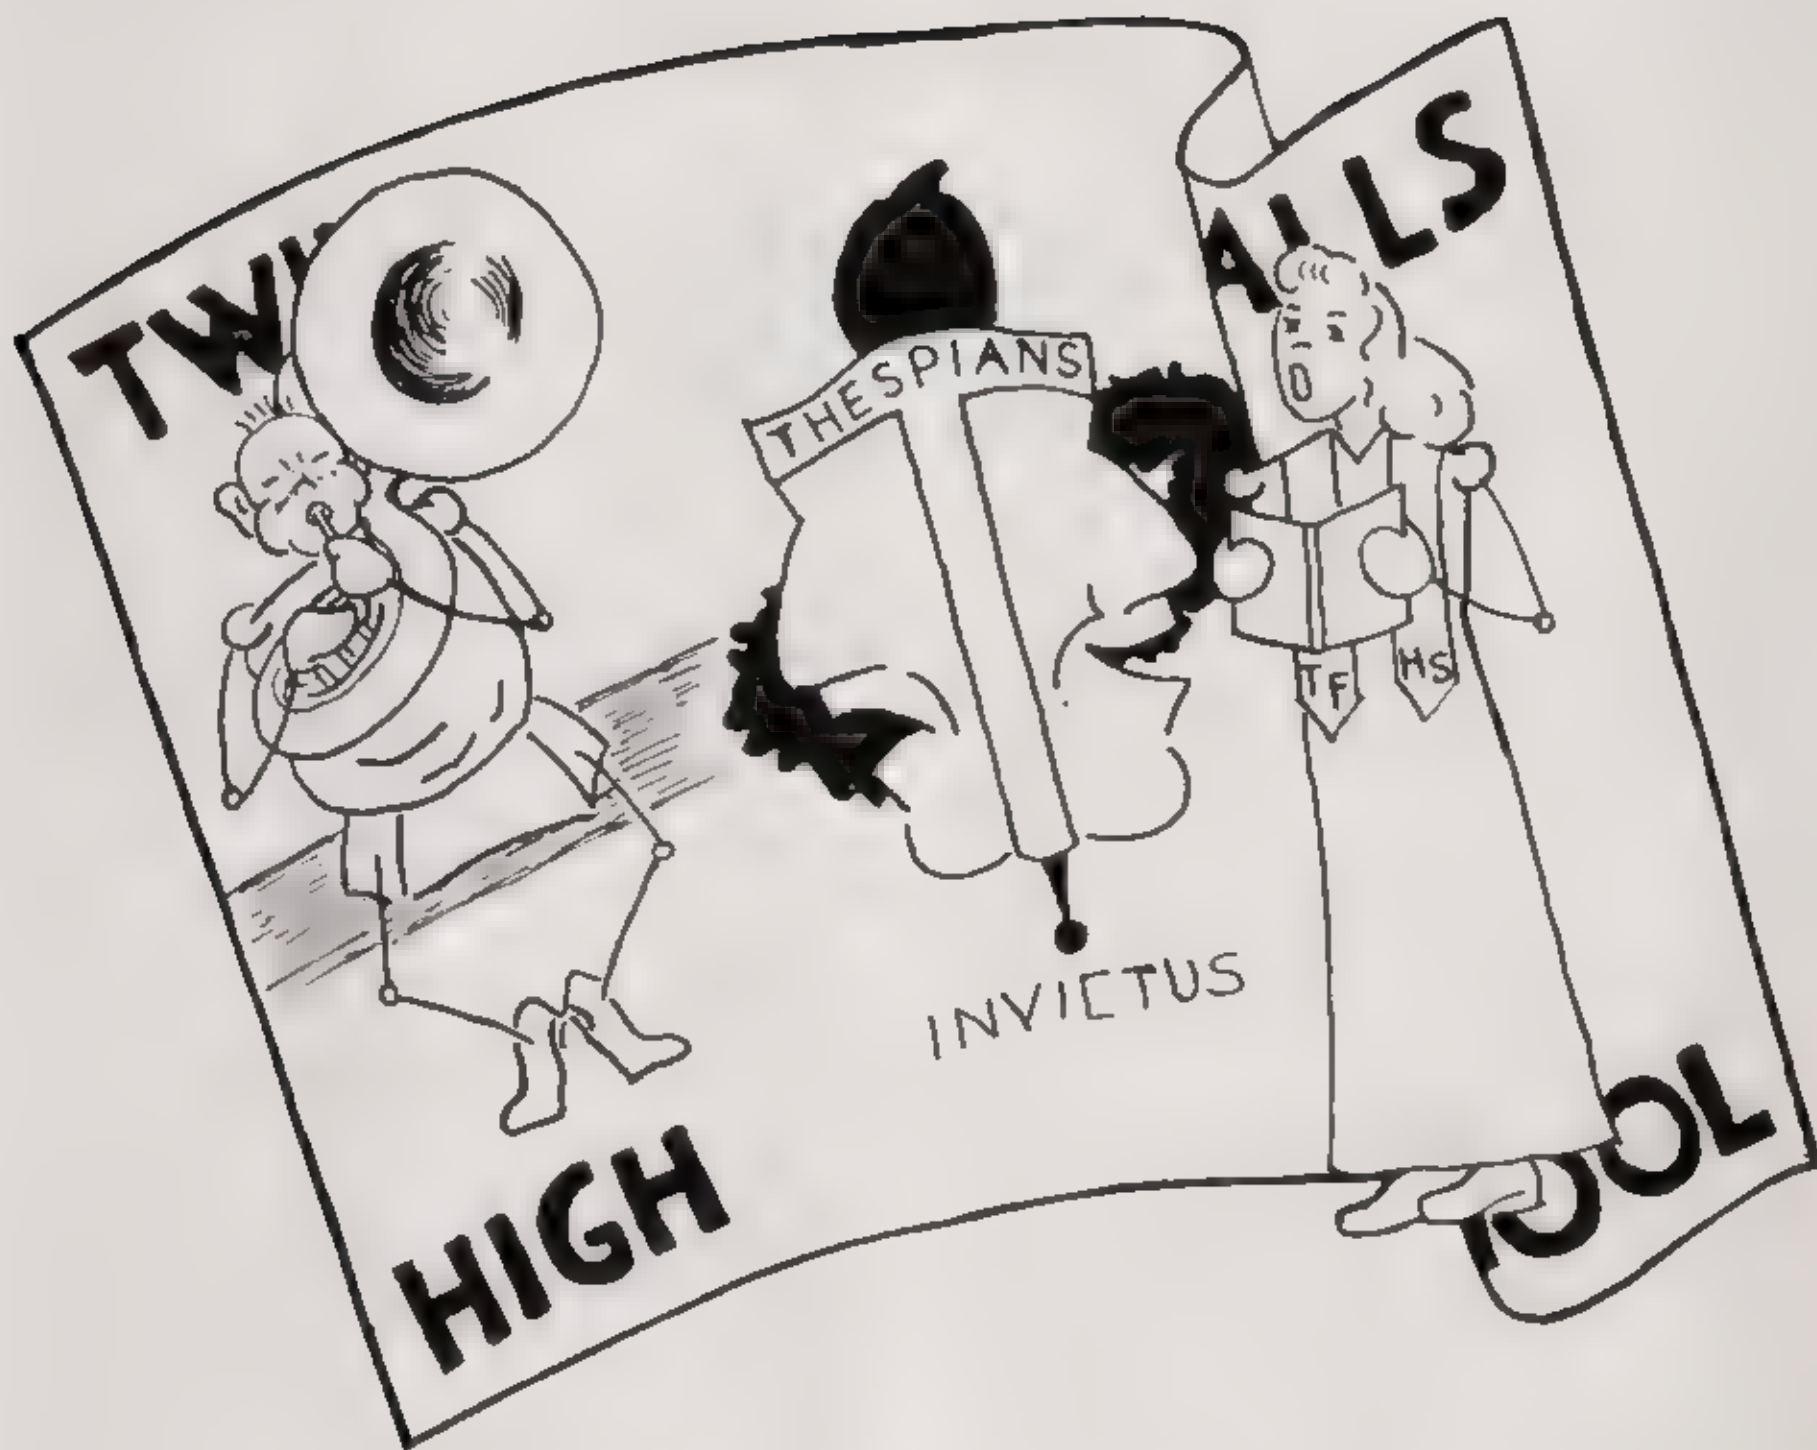

The indoor range under the stadium at Lincoln Field is used by the group. This year an inter-club tournament and shoulder-to-shoulder matches with other clubs have added interest to the sport.

Thespian

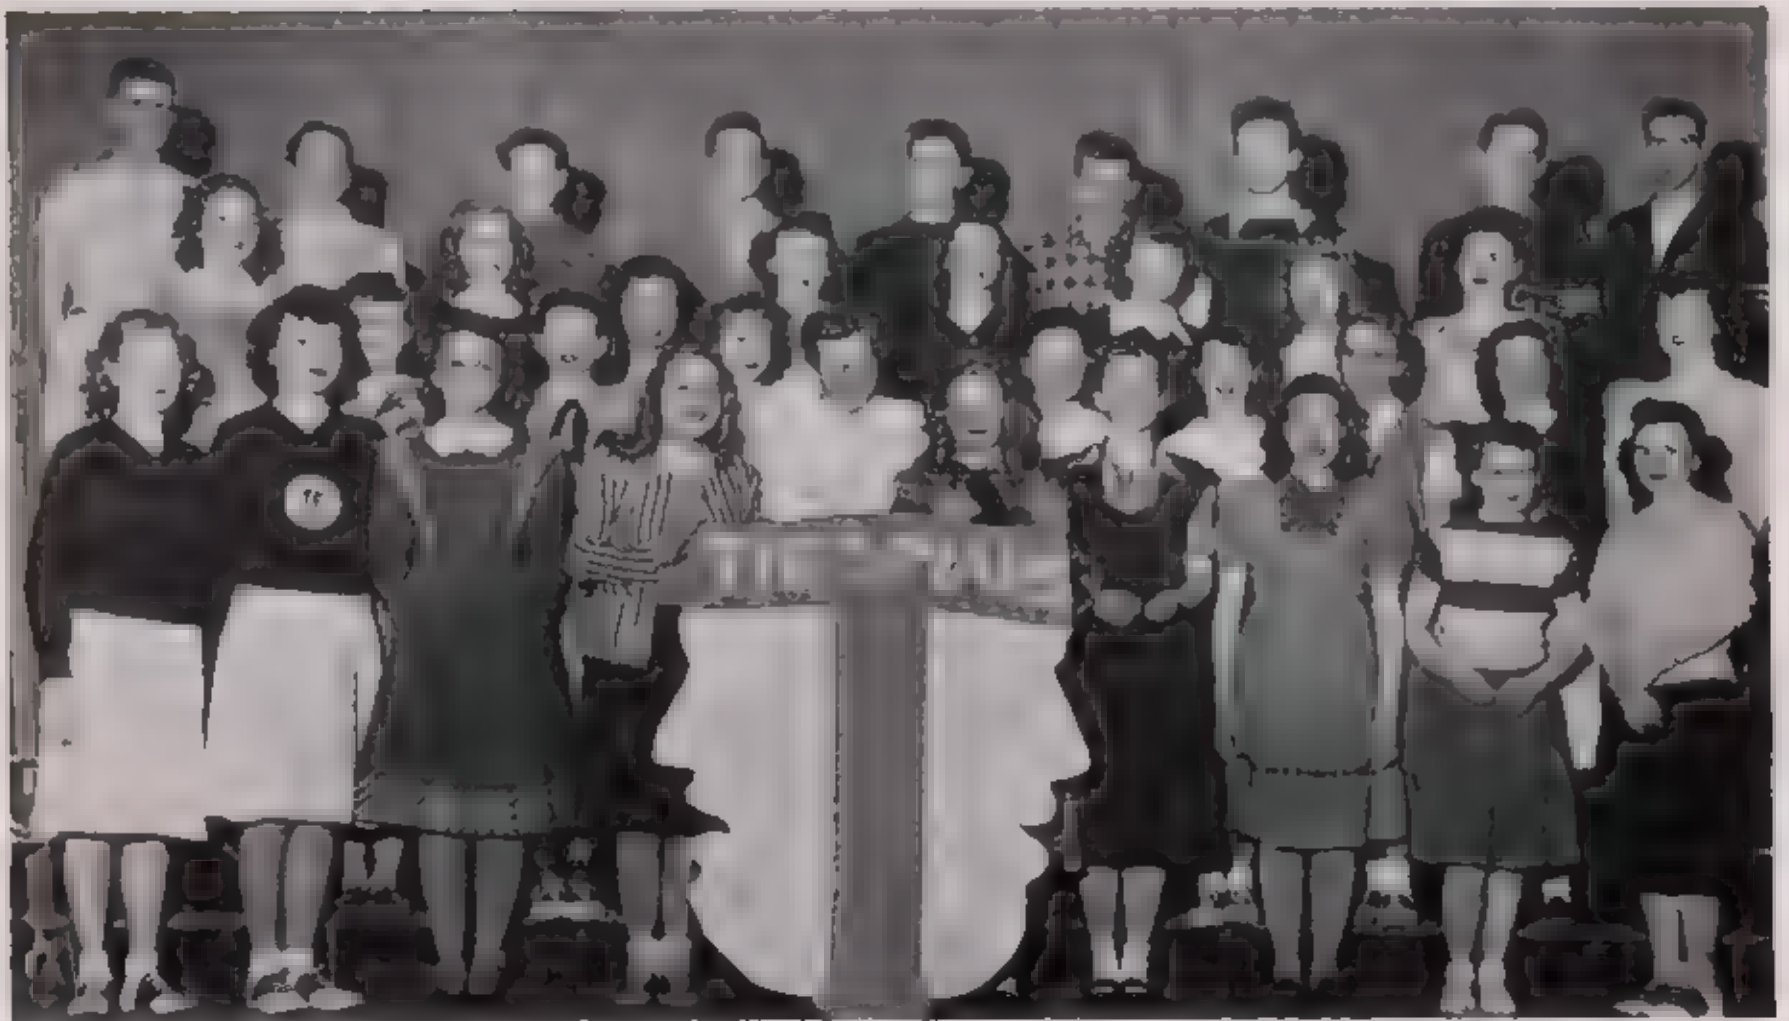

The Thespian Troupe has greatly increased its membership in the past year. It has sponsored an after-game dance and has entertained with several parties.

In putting on dramatic activities, the Troupe has devoted itself to attaining a high standard of skill in all its productions and to setting a goal for all Twin Falls students interested in advancing appreciation of the fine art of acting.

Our new dramatic coach, Miss Shirley Pope, has pleased both casts and audiences with her wise selection of plays and fine directing ability.

Sports

Girls' Athletic Association

The Girls' Athletic Association is an organization whose purpose is to provide wholesome physical recreation for girls. Included on the program of sports are softball, volley ball, bowling, and badminton.

Last spring forty members attended a Play Day on the campus of the Southern Idaho College of Education. Five were delegates to a similar festival sponsored by Boise High School. It is planned to send representatives of the Association to such meetings this spring.

Funds to finance the group's activities are provided by the sale of "hot dogs" at the District Basketball Tournament.

Bruin Club

The Bruin Club is comprised of boys who have earned letters in at least one of the major sports—football, basketball, track, or baseball. Its purpose is to further athletic activity and to promote good sportsmanship and school pep.

Members have assisted with all athletic events. The club sponsored the annual District Tournament Dance, Color Week, Bruin Dance, and sold concessions at the athletic contests.

Ski Club

A street corner or a snow-covered mountain slope? The Ski Club helps to provide clean, healthful recreation by stimulating the interest in skiing. Nearly every Saturday bus transportation to Magic Mountain was arranged for high school devotees of this winter sport. An added attraction was a week-end trip to Sun Valley.

To the Ski Club goes the honor of initiating the Talent Show which will probably become an annual attraction.

Pep Club

The membership of the Pep Club, which now numbers 120, is evidence of its popularity. This year, for the first time, any interested student could be admitted. A new system of dividing the club into units gives each boy and girl an opportunity to participate in some activity. There are 12 units with 10 members each.

The objectives of this organization are to promote pep, to usher at games, to build friendships between Twin Falls High School and competing schools, and to inspire all students with the ideals of good sportsmanship.
